Brethren:

Since I did not previously provide you with a list of the individual point scoring leaders for 1999, I will do so now, divided between hitting and pitching, and indicating the round that each was taken and the name of the drafting manager. These point totals are exclusive of bonus points, since Bill James does not provide us with these numbers.

	Player	Drafting Team	Points	Round Taken
1.	Robby Alomar	Senators
