Looks like the Bombers and Blues have been wasteful. On the other side the Tigers and Senators need to let loose.

Speaking of pitching how in hell are Ted's Closers Grandpas Jones and Wickman getting all those points aren't they both around 60 years old.

*Last 2 games a combined 8 points, who screwed who here.

Howard is a nonfactor, he was not supposed to be involved in the first place. Apparently my cancel button did not work when I first proposed the deal.

I would like to thank the level headed Commish for a good call on the deal. I would also like to thank Dave for his on the road series, I love the stories on the Parks of America. And thanks to Linda for all you do! Working with Dave and all.

Well good luck and good Baseball to all, my head hurts goodbye.
