Gentlemen:

Without further ado, here are the rosters that we each selected:

<sup>1</sup> Still an oxymoron.

THIS IS US

And here is a photo of our entire constituency taken via the High Tech Wizardry of our virtual overlord, Jim Ed:

*HSL Draft 2023: The Boys in the Band*

Wow, some of you dudes are looking old. But hey, at least we're all still vertical.

AND MORE PICS

*Men at Work*

*Screach numbs himself with straight grain alcohol after another tragic misstep*

*Magpie: "My machine froze up on me again, Jim!  
What do I do?"*

*J.T. thought bubble: "Crap. This is harder than Chinese arithmetic—  
or giving an honest sales pitch to a hot prospect!"*

*B.T. "Bum Ticker" Krause peers out from behind his portable Pacemaker/EKG/Defibrillator machine to mug for the camera.*

### FREE AGENT DRAFT

The Commish says that the Free Agent Draft opens up **tonight** at 10 p.m. I'm sure there are still plenty of gems out there waiting for us.

### WINTER MEETING

The prevaricating PAwesome has advised that the Winter Meeting will take place at the Omaha Country Club, likely in June—probably **this** June—with more details to be announced. He says there will be golf, free food, and Wahoo swag. Details allegedly to follow.

### NEXT YEAR

As announced last night, plans for our historic 40th Draft next season are already being put in place, a full year ahead of time. Please block off March 26-31, 2024 for next year's Draft in Scottsdale, and start putting in for chits from the missus now. We are striving for ONE HUNDRED PERCENT ATTENDANCE for next year's Draft in Scottsdale, and reservations have already been made for some sumptuous accommodations and accoutrements, to include ample libations, chef-worthy meals, and assorted monkeyshines and tomfoolery. You won't want to miss it.

AND FINALLY

Thanks again to everyone for making this wonderful league what it is: A glorious Band of Brothers!

Now, on to Beantown!
