For People Who Want to Know the Real Truth

The test of our progress is not whether we add more to the abundance of those who have much; it is whether we provide enough for those who have little. --[Franklin D. Roosevelt](#)
Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek. --[Barack Obama](#)

Not only did we receive a first-class gray tee-shirt with a snappy Bums logo, but we also were gifted with a black pullover with the same championship logo, as fine an HSL garment as we have seen since the cashmere Senators jackets that B.T. foisted upon me after my last league crown — the exorbitant cost of which may well have been contributory to my current cliff-dwelling. Not blaming, just saying.
